SHOAF is a prolific, and highly inflammatory, writer who contributed and writes letters for a number of publications, both Communist and non-Communist, including the People's Daily World, a West Coast Communist newspaper.

In an autobiography appearing in the May, 1948 issue of the "Simplified Economics," edited and published by J. W. PARKER, Room 301, 418 E. 9th Street, Kansas City, Missouri, SHOAF relates that he was born at Lockhart, Texas on January 17, 1875; that his father was for twenty-seven years Chief of the San Antonio Texas Police Detective Bureau. According to the article the Social Democratic Convention, engineered by EUGENE V. DENNIS, at Dallas, Texas nominated SHOAF for Lt. Governor of the State of Texas in 1899. He thereafter went North and entered the labor movement in Chicago, where with others he organized the Street and Elevated Railway Employees. Later, according to the article, he was "war correspondent" for the "Appeal to Reason", a Socialist publication and after the demise of this paper he lived in Los Angeles except for several world tours he made as a news writer. These tours took him to the Soviet Union in 1927 and 1934. After reaching retirement age he moved to Costa Mesa, California where he continues to reside.

The article concludes that at the age of 73, GEORGE H. SHOAF is as radical and as militantly radical as when he first joined the Socialist long before LENIN and STALIN were heard of. Were there no Soviet Union and no Soviet people, he would be just as militantly revolutionary in his propaganda demands for the abolition of capitalism.

CNDI, LA 3200, of known reliability, has advised that SHOAF was recruited into the Harbor Section, Los Angeles County Communist Party by RAY MARSH FOX in March, 1947. (S) m

Confidential Informants of the San Diego Office advised that SHOAF is in current and frequent contact with known Communists in the Orange County area and spends most of his waking hours writing.

Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC, WFO (100-22286)

DATE: November 27, 1953

FROM : SA [REDACTED]

SUBJECT: ISIDOR FEINSTEIN STONE, was
Espionage - R

On this date, [REDACTED] was interviewed at the offices of the Armstrong News Agency, 917 Eye Street, [REDACTED] advised that for the past five years he has worked at the Cosmopolitan News Stand, formerly known as the Metropolitan News Agency, at [REDACTED]. It is to be noted that this newsstand was owned and operated from 1948 to 1952 by HERBERT JEROME BENJAMIN, and further that STONE, while under physical surveillance during the past six weeks has made frequent visits to this newsstand, often as frequently as three times during the same day.

[REDACTED] stated that he knows STONE from his visits to the News Stand and has conversed with him there on occasion, but that this is the limit of his association with STONE. He said that STONE and HERBERT BENJAMIN are good friends and were frequently in each others company when BENJAMIN owned and operated the business. Since BENJAMIN sold out, STONE's only purpose in visiting this news stand is to purchase newspapers and periodicals, according to [REDACTED] said that STONE drops in at least once a day, and often more frequently, to pick up the latest copies of such papers as the Daily Worker, the London Times, and the New York Times.

[REDACTED] advised that copies of "I.F. STONE'S WEEKLY" are on sale at the Cosmopolitan News Stand, and that STONE practically gives 25 copies of this paper to the news stand weekly for the purpose of having a news stand outlet for his paper.

[REDACTED] stated that about 20 of the 25 copies are sold weekly. He did not know of any other news stand in Washington that handles the "WEEKLY". In discussing the "WEEKLY", [REDACTED] stated that STONE prints about 9,000 copies each week, and that his distributor in the New York Area is one B. DeBOER, in Newark, N. J.

[REDACTED] advised that on 11/18/53, an employee of the French News Agency, 914 National Press Building, whose identity [REDACTED] does not know, left a blue paper sack filled with printed material at the news stand with directions that it be given to STONE when the latter came in. [REDACTED] said that he did not have an opportunity to examine the contents of the paper sack before STONE arrived. [REDACTED] said that this is the first time to his knowledge that anything has been left for STONE at the news stand, and that he thought it was suspicious.

[REDACTED] agreed to keep alert to any information which he deemed pertinent concerning STONE, or the operation of the news stand, and to advise the writer. He said that the present owner of the news stand, Mr. PAUL STURMAN, is not on friendly terms with HERBERT BENJAMIN, and further that he knows nothing that would indicate STURMAN is in any way connected with or interested in the affairs of the CP or any front groups, or in persons who would be of interest to the FBI.

ISIDOR F. STONE, wa.
ESPIONAGE - R

By letter dated 12/16/52 the Bureau instructed the NYO to obtain a subscription to "I.F. STONE'S WEEKLY" and furnish same to the Bureau for the Central Research Desk.

Inasmuch as this subscription expires on 1/17/54, the Bureau is requested to advise the NYO whether it still desires the subscription. Since the Washington Field Office is now Office of Origin and since "STONE'S WEEKLY" is published in Washington, D.C., the Bureau may desire the WFO to obtain the subscription. It will be noted that in the latter event, the Bureau will be able to receive STONE'S publication two or three days sooner than it has previously received same.

The Bureau requested to advise the NYO and the WFO of its wishes in this matter. ^{is}

(WFO - Origin)

In his Washington newsletter, "I. F. Stone's Weekly", for December 7, 1953, (Vol. I, Number 44), the subject has printed an article "Fallacies of the Drive for Wiretap Legislation — It Won't Catch Spies, But It Will Police Thoughts". It is believed that this article will be of particular interest to the Bureau and it is therefore summarized here.

ELIZABETH BENTLEY in cross examination in the REMINGTON case stated that except for the SILVERMASTERS and ULLMAN none of the persons from whom she claims to have collected information was told that she was a spy for the Russians. Therefore they could not have discussed information relating to espionage on the telephone.

Documents cannot be passed by telephone nor can they be photographed by this method. Physical surveillance is the only means by which the above activities can be proved.

"The strangest thing in this whole story is that though the SILVERMASTERS and ULLMAN were involved in loyalty proceedings in 1942, three years before Miss BENTLEY told her story, and were supposed to be using basement photographic equipment for improper purposes, surveillance neither before nor after the BENTLEY story turned up any evidence. The only fair inference under the circumstances is that there was none to turn up".

It is said that JUDITH COPLON, a spy, went free because wiretapped evidence was not admissible. This is not true. Her conviction in Washington was reversed not because the Government had used wiretapping to investigate espionage, but because the FBI had listened in on conversations between Miss COPLON and her lawyer. The New York conviction was reversed because no warrant had been obtained for the arrest of Miss COPLON or for the seizure of the confidential material found in her possession. In the COPLON case wiretapping

Re: ISIDOR FEINSTEIN STONE, was.,

was unnecessary. COPLON and GUBITCHEV did not communicate by telephone. The reasoning of the Circuit Courts in their reversals would have been valid even if wiretapping were legal. "The Department of Justice and the FBI were the victims of their own unfair and clumsy tactics".

Had wiretapping been legal Miss COPLON's lawyer would never have been able to learn that the FBI had been listening in on his conversations with his client in the preparation of her case for trial. The FBI would also have been saved the embarrassment of having to reveal how extensive its wiretapping activities were and "what trivial, scandalous and personal material it gathers". FBI reports made public in the COPLON trial showed "wide-spread wiretapping as a means of political surveillance often unconnected with any allegations of crime or threat to internal security".

"Wiretapping will catch no spies. But to take off all inhibitions and make wire-tapping by the FBI legal would be to encourage the G-men to expand their work as a political thought police."

A review of GOSKI's Selective Service file in August, 1943 indicated that his true name was BERNARD JOHN GOSIENIEWSKI but stated that he was also known as JOHN GOSIENIEWSKI, BERNARD ALEXANDER GOSIENICKI and JOHN GOSKI. On his questionnaire GOSKI stated that he was suffering from chronic arthritis, anemia and in addition that he had lost all his fingers, knuckles and thumb on his right hand. He was classified as 4-H on January 8, 1943. According to information obtained by Sergeant JOHN J. UNGVARY of the Subversive Activities Squad, Cleveland Police Department and submitted by report dated June 28, 1943, JOHN GOSKI was at that time employed as a photographer for the Cleveland Press (local Cleveland newspaper). The source of this latter information was NORMAN SHAW, managing editor of the Cleveland Press, who stated that GOSKI had been in their employ for about eighteen years as a photographer but at that time he had been given a leave of absence because of his health and was then residing at Central, New Mexico.

This report further reflects that [redacted]

[redacted]

[redacted]

[redacted] version of the feud, [redacted] is that the Republican Party is split into two factions over the Communist-in-Government issue. One faction, headed by Senator McCARTHY, has the backing of the China lobby and the Texas oil millionaires who want to wrest control of the Republican Party from the Eastern financiers as represented by the faction headed by President EISENHOWER. Furthermore, President EISENHOWER is a political weakling who dares not take the initiative in foreign policy decisions for fear of alienating the McCARTHY clique. McCARTHY's attacks on the Administration will cause the Administration to cut down on its financial aid to the U.S. Allies thus alienating these allies, eventually driving them away from American influence. (C)

For some reason, unknown to the informant, [redacted] is an admirer of President TRUMAN, whom he terms as the American "people's choice" for President. He feels TRUMAN wields more influence among American workers than does President EISENHOWER. [redacted] is interested in doing a story of a series of articles on the FBI depicting that agency as a "tool" of the Republican Party, an organization which in its high echelons is steered in politics. The original idea for this story emanated with JOHN STONE of the Federated Press, who is presently doing such a series of stories on the FBI. Background information on the FBI was obtained by STONE by utilizing the material contained in the book entitled "Federal Bureau of Investigation," by MAX LUBENTHAL. [redacted] also will utilize this book and has attempted to obtain an issue, but has learned that this book is presently out of print. JOHN STONE has advised him that (C)

Furthermore, Director JOHN EDGAR HOOVER is, has been and will continue to be a Republican Party instrument. They will endeavor to substantiate this by his appearance before a Congressional Committee in the HARRY LEXTER WHITE case, which they state has proven beyond a doubt that HOOVER and the FBI are Republican instruments and that the Republican Party utilizes the FBI to silence its political enemies and especially to drape a subversive cloak around the Yalta-Potsdam Agreements and the Roosevelt-Truman Regime. On 12-22-53, [REDACTED] made available to the writer, an official copy of the December edition of the PP Newsletter.

This edition dealt with the usual topics such as school segregation issues and Capital Transit hearings. Another topic dealt with the PP plans to run a radio program shortly after Christmas, and that the radio station they have contacted to date has refused to sell them air time. This particular article goes on to say that they did not intend to let the matter rest and if necessary, they will take the issue up with the Federal Communications Commission.

It was determined through [REDACTED] that the PP had previously booked air time for Tuesday, December 29, over WDCB but that just prior to the issue of the Newsletter, the date was refused.

Another article appearing in the Newsletter dealt with the Christmas Bazaar indicating that the bazaar held on December 4 and 5, 1953, was a great success both financially and socially. The bazaar committee, headed by Mrs. SELMA REIN, was congratulated on a fine job.

Under a separate caption entitled, "Coming Events", the following is noted:

There will be a National Committee meeting of the PP in New York on January 16 and 17 with the State Directors meeting January 18. A proposed statement on the "Outlook For The 1954 Congressional Elections and the Role of the Progressive Party" has been submitted to

This Conference was held on December 12, 13, 1953 at Walsh's Hall, also known as Fur and Leather Workers Hall, 1014 North Noble, Chicago, and was sponsored by the ACPFB.

A banquet was held during the evening session of the Conference on December 12, at Walsh's Hall, and STONE was one of the speakers. STONE did not participate in the Conference on December 13, 1953. STONE departed from Chicago for Washington, D. C. via American Airlines at 12:15 P.M. on December 13. While in Chicago, a discreet fisur was conducted on STONE at the request of the office of origin.

As a matter of information, during the late evening of December 12, STONE was also in contact with MANDEL TERMAN, Chairman of the Chicago Council of American Soviet Friendship, who is reliably reported to be a member of the Communist Party. TERMAN and STONE proceeded to the apartment of ZITA and Dr. ARTHUR SCHWARCZ, 703 Melrose Avenue, Chicago, on the late evening of December 12. ZITA SCHWARCZ was reliably reported to have been affiliated with various Communist front organizations during the period 1948 - 1950, but she is not known to have been affiliated with the Communist Party itself.

The purpose of this letter is to request the various offices who sent informants to attend the ACPFB Conference to ascertain from their informants all information in their possession concerning the activities, contacts, and remarks made by STONE while in Chicago. All offices are requested to contact their respective informants and furnish the results of the informants' information to Chicago as soon as possible. In order to avoid duplication of reporting, it is requested that all offices reply by Office Memorandum and same will be incorporated in the Chicago report, which will not be submitted until all offices have replied to this letter. SUBJECT: ISIDOR FEINSTEIN STONE, was
Espionage - R

At approximately 1:55 PM, 1/4/54, [REDACTED] who is employed at the Metropolitan Newsstand, [REDACTED] called to advise that an individual whose identity he did not know had just dropped off there a bundle of papers or documents which he requested [REDACTED] to give to subject STONE when he next came in. The writer was unable to go directly to the newsstand, inasmuch as he was at that moment leaving the office on a physical surveillance in another case, and so advised [REDACTED] then volunteered to attempt to surreptitiously abstract one of the documents in the bundle to furnish to the writer. [REDACTED] was advised that the writer could not advise him concerning this course of action; that he would be doing it entirely on his own, and that the writer would accept none of the responsibility attendant upon this course of action.

On 1/6/54, the writer contacted [REDACTED] at Armstrong Daily Sports, Inc. [REDACTED] and was handed what appears to be a press throwaway concerning economic outlook for the country in the year 1954. It bears the dateline "POSTPRESS", Washington. A review of this document revealed nothing deemed to be pertinent to the espionage investigation. [REDACTED] stated that STONE had picked up the bundle shortly after he, [REDACTED] had called the office on 1/4, and added that he could furnish no additional information concerning this matter.

As reflected in this file a request for coverage of mail on the subject's home, 5618 Nebraska Avenue, NW, has been made on the following dates: 4/17, 6/3, 7/7, 8/7, 9/4, 10/6, 11/6, and 11/30. These were the usual 30-day mail cover requests. To date the only results from these requests have been two or three return addresses of personal letters delivered to the STONE residence. It was the opinion of the writer that possibly an administrative mix-up had resulted in these requests not being received or acted upon at the Chevy Chase Branch, Washington Post Office, which office covers the STONE residence. (S)(u)

Accordingly on this date, [REDACTED] of the Chevy Chase Branch, was personally contacted by the writer. [REDACTED] acknowledged that he had received regular requests for coverage of STONE's mail, but that nothing of interest has arrived in the mail for STONE. [REDACTED] said that through long years of working with the FBI in matters of this sort, he has learned that we are not interested in such things as department store bills, utility bills, mailed circulars and the like. STONE, he said receives a great amount of this sort of mail. [REDACTED] stated that he has been particularly alert for personal mail, bank mail, foreign mail and periodicals, and other items which he cannot identify easily. On December 15, 1953, [redacted] telephonically informed the writer that the informant had ascertained from GERTRUDE EVANS that a meeting of the officers of the Progressive Party would be held at 930 F Street, N.W., on the night of December 16, 1953. The matter to be discussed at the meeting was a fifteen minute radio program to be put on sometime during the Christmas holidays, as of December 15, 1953, Station WOL had allotted fifteen minutes from 9 P.M. to 9:15 P.M. on an undetermined date for such a program. Further, on December 15, 1953, it was the desire of the Progressive Party to engage T. F. STONE and a few Progressive Party members to appear on this program. (S)(u)

(Subsequently, the writer was informed by the informant that Station WOL had canceled the allotted time for the radio program and STONE was engaged to speak at a mass Progressive Party meeting at Odd Fellows Hall on January 22, 1954.) (S)(u)

I ask this conference to support a fight for these people on national level. STANLEY NOVAK, In Michigan like in other states many people are victims of the W- McC. Law; but we are working to have this law repealed and the Mich. Un-American Comm. abolished.

"WILLIAM SENTNER, St. L. This charge of subversives and advocacy to overthrow the gov't of the U.S. is the bunk, and the government might as well know that the worker will not substitute his paycheck for liberty, the administration is a failure, workers income is cut - so they give us the squeeze, but the distant future is clear and will put the McCarrans, and the Vellis behind the bars where they rightfully belong. There were few general remarks by EVE ABELSON of W. Penn.

"ABNER GREEN - next. He asked for a special point of procedure to send greetings from the conference to STEVE TSAMARNIS who had been arrested only 2 days ago on Thursday and will not be able to attend the conference. This committee has been working for the Protection of the Foreign Born.

Dr. ROBERT MOSS LOVETT - We are in a critical period, must get the people on our side, one of the best ways is through the newspaper, explaining what the W-McCarran act is, what is doing to our people and our nation, what it means to its millions of foreign born citizens, and to all of us, who love liberty and democracy. "Prof. EPHRAIM CROSS, New York. he first prepared us all and especially any men from the FBI. that the following is a true historical fact. At one time Ceasar of Rome (Nero) had difficulties with his Senators so that to show his feelings toward the senators he had a horse beought in the Senate chamber and sworn in as a senator - saying that he hopes to have full cooperation from the new senator. Another one also for the benefit of FBI. told about a german general returning from Easter front - explaining that the farther into Russia they went - they found that the Russian armies, the soldiers were beginning to look more and more Mongoloid, in fact we could not kill enough of these Russian Mongolian soldiers and while at home he warned his colleagues that the Mongolians will be unbeaten, simply because they cannot be beat, because there is too many of them, and of this the German armies never got beyond Stalingrad, and that's long ways to the Urals and the Asian Mongolian country- Let this serve as an advice to our leaders - the Mongolians cannot be beaten, because there is too many of them; and of course this is a true fact as we all now and naturally a professor of Romance Languages at a New York College, cannot tell anything except a true fact story.

"NATHAN CALDWELL, JR. Chicago, Mid-West Secy of the P.FB Comm. STEVE TSERMENGAS was arrested by the Chicago Imm. Authorities 2 days (Wed.) before the PFB. Conf. so that as an outstanding greek leader, he could not participate at the Conference. Few words were also by ALEX GREEN, LILLIAN GRIFFIN received a pocket size pocket-book or handbag, for which she was thrilled.

"Dr. PETTIBONE SMITH urged us all to carry on this fine work, and she will because she feels honored by doing this work, and being of help to a fine and worthy cause. After this a negro woman sang 3 songs - her expression to her accompanist a white girl was anything but the very thing that they talk that they dislike - that being chauvanizm - only here was that of a 'black'.

BROWNELL and the Immigration Authorities the Committee fights, and will succeed in getting justice, because the people themselves have no faith in such leaders, and witchhunts like BROWNELL, MC CARTHY, MC CARRAN, VELDE and so on. So when you go back to your cities and towns work for the Committee, work for better conditions for the people be they black or white, foreign born or native. Even the Statue of Liberty, on Bedloe's Island is not safe, through the years she had the torch of liberty, shining in the vastness of New York harbor although with her back turned to the Continental U.S. In years gone by she was a symbol of hope, of a new home, new life to the immigrant, but now all that is changed, let us work to have her shine the rays of hope liberty and democracy for all of us instead of the few. The people themselves will determine what is good and what is bad for them, the McCarrans, Veldes, and others can take a back seat. The presidential candidates in 1952 stood for repeal of the unfair to America Law - the W.-McCarran, and that will be done, further we must use more effective ways to win our fights against the Att. gen. BROWNELL.

Re Chicago letter to Director dated December 21, 1953.

[redacted] advised SA [redacted] on December 16, 1953 that I. F. STONE of Washington, D.C., an individual who edits a newspaper in that city, appeared at the American Committee for the Protection of Foreign Born sponsored National Conference to Repeal the McCarran Law and Defend its Victims at its banquet held December 12, 1953.

Instant banquet was held at Walsh's Hall, 1014 North Noble Street, Chicago, Illinois. According to [redacted] STONE did not participate in the conference proceedings during the day of December 12, 1953, but spoke only at the banquet held the evening of December 12. STONE likewise made no appearance at the conference on the day of December 13, 1953.

During his talk before the conference delegates and guests at the afore-mentioned banquet, STONE remarked that America is a wonderful country and that this country is made up primarily of foreign-born Americans. He said these foreign born came to this country to escape persecution and to seek a better life in the United States. STONE also stated that the foreign born made the United States a great country and now this country was showing its ingratitude to them and was attempting to destroy what they had built up in the United States. He stated that the United States does not want these foreign born in this country. In addition to speaking against the McCarran Act and advocating its repeal, STONE also made "anti-McCARTHY" remarks, which remarks were not specifically recalled by [redacted]

[redacted] advised SA [redacted] on January 12, 1954 that the talk given by STONE was very "charged" and actually was a short, but very effective talk inasmuch as STONE received more applause from those in attendance at the banquet than was given to any other speaker. [redacted] further recalled that STONE, upon his introduction, likewise was given considerable applause, which prompted [redacted] to inquire of ROSE TOURALCHUK, prominent IWO and

ROSENFELD wrote her a letter and mentioned he had become associated with GORIN. BROWN was in Japan from July, 1938, until April, 1941. She stated that ROSENFELD was aware of the arrangement between her and GORIN in regard to the espionage mission to Japan but he did not actually become acquainted with GORIN until after these arrangements had been completed.

T-4 advised that ROSENFELD had told him of having GORIN as a guest in his home and stated that ROSENFELD had given GORIN financial assistance at the time of his trial.

The records of the United States District Court reflect that on January 11, 1939, MIKHAIL NICHOLAS GORIN and HAFIS SALICH were indicted on charges of espionage on behalf of the USSR. They were both found guilty on March 10, 1939.

The August 5, 1949, issue of the "B'nai B'rith Messenger" contained a letter from HERBERT T. ROSENFELD, who described himself as Chairman of the Southern California Chapter of the American Technion Society. The purpose of this society

EMMA ROBINSON gave a financial report stating that the PP had slightly over \$800. in its bank balance. (S)(u)

A report was made on behalf of the Peace Committee by ELEANOR BELSER and SANDRA MCCOY. It was decided to make a formal protest to the radio station (WOL or WMAL ?) which had allotted radio time to the PP and later canceled the engagement and returned the check which had been sent by the PP as a deposit. JOE FORER is to visit the management of the radio station in person and then write a letter to the Government agency concerned with radio stations (FCC?) and advise the agency of the radio station's actions. The next step to be taken will be decided in the future. (S)(u)

Concerning the talk to be made at the PP Public Meeting on 1/22/54 by I. F. STONE, it was decided that use would be made of the PP, National Guardian, and I.F. STONE's mailing lists in mailing out the announcements of this meeting. (S)(u)

Another such Public Meeting will be held sometime in February, 1954, and it is desired that W.E.B. DUBOIS be obtained as the principal speaker. GERTRUDE EVANS opposes having DUBOIS and prefers LOUIS BURNHAM. EMMA ROBINSON and BILL JOHNSON still prefer DUBOIS and suggested that the shortage of funds, which would be available to the PP at the time of the meeting, should be explained to DUBOIS so that he would not demand too large a fee for his appearance in this city. The Committee preferred to hold the February meeting in a church, but if one is not available, the Odd Fellows Hall will again be utilized. The Committee was designated to (u) (S)

Then, there began a discussion of the proposal to make a \$50. donation to the Committee to Defend Marie Richardson as the PP of Montgomery-Prince Georges County has done. This proposal was originally approved by PEEK, ROBINSON and JOHNSON. It was opposed by CHARLOTTE ORAM and JOE FORER, with the latter stating that the PP never before had made contributions in such cases. Approval was voted by a vote of 8 to 7. The Informant related that EMMA ROBINSON voted in favor of the proposal in order to avert a fight with SALLIE PEEK and to keep from letting HELEN SHONICK down, as ROBINSON had previously told SHONICK she was in favor of the proposal. The proposal was brought up by SHONICK, and ROBINSON subsequently changed her mind and opposed the measure but voted in favor of it for the above reasons. (b)(u)

MALO was interviewed at New York in 1944 and advised that he was born in Santander, Spain, on August 9, 1903. He said that he had been active in the labor movement in Spain and was president of the Dock Workers Society in 1931. This union was allied with the UGI, the National Labor Union of Spain. On behalf of the loyalists, he and his wife returned to Barcelona, Spain where they stayed until the fall of Barcelona in 1939.

At this time, he fled to France and later secured passage to Cuba through one MOISES GOMES of Havannah, a Spanish loyalist who had managed to salvage some of his wealth. After remaining in Cuba for a year, he came to the United States in October, 1940 and worked in various restaurants. While in the

The above interview with MALO was conducted on July 13, 1944 and no subsequent information concerning him is available in the New York files, other than the fact that in September, 1944, the office of the Attorney General expressed the opinion that MALO's activities did not indicate that he was active (in 1944) on behalf of any foreign groups or individuals residing in foreign countries; however, that there was no basis for action under the Foreign Agents Registration Act.

HYNDMAN spoke on the repeal of the Walter-McCarran Law and stated that she was directing a movement in her district to inform the people as to how this Law was taking away the rights of the American people. HYNDMAN continually stated "You may be the next on the list to be arrested and deported" as her key sentence.

The next speaker was STANLEY NOWAK of Detroit, Michigan, who is a former State Senator from Michigan and under denaturalization proceedings. NOWAK in his speech literally attacked the Walter-McCarran Act as taking away the rights of all Americans who come under the deportation law. NOWAK mentioned Senator MC CARTHY and the "dirty work" that he is doing in taking away the rights of the working people. NOWAK pointed out that the time would come when the American people would stand up and demand their rights.

EVELYN ABELSON of Pittsburgh, Pennsylvania, was the next speaker and she spoke along these same lines advocating the repeal of the Walter-McCarran Law.

ABE FEINGLASS, Midwest Director of the Fur and Leather Workers Union was the next speaker. He viciously attacked the McCarran Act and pledged himself and his organization to do something to get it repealed. FEINGLASS also pledged himself to support the ACPFB in its movement to repeal this Law.

WILLIAM SENTNER of St. Louis was the next speaker. He pledged himself to support captioned organization in its efforts to repeal the Walter-McCarran Law and also to support the Lehman-Cellar Bill which is coming up in Congress. SENTNER stated that the Bill of Rights belongs to all, not to just a few.

ABNER GREEN of New York pointed out that the Justice Department under Attorney General BROWNELL has taken away the rights of all Americans under the Walter-McCarran Law.

He went on to say that should anyone in the future receive a letter to appear before any investigative body, he should first go to the nearest Committee for the Protection of the Foreign Born to receive advice as to what to do or say. GREER pointed out that the Justice Department is planning to declare the ACPFB as a subversive organization.

At approximately 2:00 P. M. instant meeting was adjourned for lunch and the delegates were split up into various panels. Instant informant was on the Panel on Deportation of Mexican Americans and a great many opinions were expressed concerning the exploitation of these Mexican Americans. Some of those in attendance at the Panel called it "Slave Labor" and proceeded to point out that after the Americans had no more use for these Mexican laborers, they had them arrested and deported. As were hundreds of thousands of these Mexican Americans, they are arrested by the Immigration Service and are shipped across the border without any hearings. They are left stranded in Mexico without any money or means of transportation to their homes.

It was pointed out that these Mexicans are encouraged to come to the United States on the promises of high wages and good working conditions without the proper passports or papers of entry to the United States. A number of people, after coming to the United States, had married and had children before they were located, but never the less, they were up rooted when found and deported without consideration given to their families or homes. It was felt that the press did not give these Mexicans enough support and as a result, the American people are not in sympathy with these Mexicans.

This Panel went on record to "condemn the brutal and illegal masses rounded up without warrants, and the deportation, without hearings, of these Mexican workers". The Panel called this action "inhuman" and will attempt to point out their condemnation of the "terrorization" and "intimidation" of the Mexican Americans.

CG 100-1521

The panel also decided that they would call for a change in the Immigration and Nationality Act whereby the status of a Mexican American could be adjusted for permanent residence and promises for citizenship after a two year residence in the United States. The Panel also condemned the discriminatory attitude fostered by the Immigration and Naturalization Service and the press and called for a national publication exposing the false attitudes concerning the Mexican immigrants and showing the great contributions made to the development of the United States by these people.

At approximately 7:00 P. M. on December 12, 1953, a banquet was held at which time GEORGE B. MURPHY spoke. He introduced MARK CHAMBERLINE of Portland, Oregon; Professor ROBERT MORSS LCVITT of Chicago, Illinois; Dr. ANTON J. CARLSON of Chicago; I. F. STONE of Washington, D. C.; Professor ~~EPHRAIM CROSSE~~ of New York; Reverend JOSEPH EVANS of the Community Church, Chicago, Illinois; Professor LOUISE PETTIBONE SMITH of New Haven, Connecticut; DON HARRIS, the Director of U.I. Rock Island, Illinois.

All of the above speakers pledged themselves to fight for the repeal of the Walter-McCarran Law.

On December 13, 1953, the meeting was called to order at approximately 9:00 A. M. A short business meeting was held and then the election of officers took place. The entire slate was elected from the previous year as follows:

Honorary Chariman,
Rt. Reverend ARTHUR W. MOULTON

Co-Chairman,
GEORGE B. MURPHY,
Professor LOUISE PETTIBONE SMITH

Executive Secretary,
ABNER GREEN

CG 100-1521

Administrative Secretary,
HARRIETT BARRON

Assistant Secretary,

Treasurer,

Instant meeting was adjourned at 3:30 P. M. on
